Re: Special Events Permits-PUBLIC HEARING

Summarv:

The Town Council serving as the Local Liquor Authority will consider the following special event permit applications at the May 9th Liquor Board Meeting:

a. Applicant:

Team Evergreen Bicycle Club

Event:

2006 Triple Bypass Bicycle Tour

Date:

July 8, 2006 / 11 AM to 9 PM

Manager:

Leslie Caimi

Location:

Nottingham Park, Avon

b. Applicant:

Eagle Valley Humane Society

Event:

Salute to U.S.A.

Date:

July 3, 2006 / 4 PM to 10:30 PM

Manager:

Char Quinn

Location:

Nottingham Park, Avon

Background:

Both events have been held in Nottingham Park for a number of years and both are requesting a special event permit to sell malt, vinous and spirituous liquor. (The Salute event sells only beer.)

Discussion:

Both permits include the following information as required by the State Liquor Enforcement Division & the Town of Avon:

- ✓ Application for a Special Events Permit
- ✓ Map of Premises & Diagrams where liquor will be served
- ✓ Certificate of Good Standing
- ✓ Alcohol Management Plan
- ✓ Town of Avon Permit Application for Special Event or Letter to State
- ✓ Fees for both State & Local agencies for processing of applications

The applicants have provided all appropriate materials. The Town has posted the premises for the public hearings. Both event managers, Leslie Caimi from the Triple Bypass Tour group, and Char Quinn, Eagle Valley Humane Society, will be at the meeting to answer any questions.

Financial Implications: There are local liquor licensing fees associated with the special event permits and the applicants have submitted those fees.

Background & Discussion:

Liquor licensed establishments renew the liquor licenses on an annual basis, submitting application materials first to the Local Licensing Authority. Once approved at this level, renewal applications are forwarded to the State of Colorado for review and issuance of the state license as well.

Discussion:

The Town Clerk, Town Attorney, and Avon Police Department have reviewed the applications submitted. It is noted that all application materials are in order. A report from the Police Department is attached for each license; this report addresses a background investigation on the applicant, an update on whether or not there have been any incidents reported at this location and any smoking related violations. The applicants have been asked to attend this meeting and have been informed that they will need to provide an update to the Liquor Authority regarding any incidents with the newly adopted smoking ban legislation. The questionnaires were completed by the applicants and are attached as well.

Financial Implications: There are local liquor licensing fees associated with renewal applications that have been submitted to the Town.
