Background & Discussion:

Colorado Liquor Code, 12-47-302, provides for guidelines related to liquor licensing renewals; applications for the renewal of an existing license shall be made to the local licensing authority. The Town Clerk, Town Attorney, and Police Department have reviewed the applications submitted referenced above and the materials are in order. The Police Report results are summarized below:

- a. VIN 48 did not have any negative liquor enforcement contacts in the past year.
- b. City Market did not have any negative liquor enforcement contacts in the past year.
- c. Shell did not have any negative liquor enforcement contacts in the past year.
- d. Avon Liquors did not have any negative liquor enforcement contacts in the past year.

The Liquor Authority Board has broad discretion to consider any character issues related to the licensee holder at renewal in the same manner as granting a license. There have been various types of behavior, such as failure to pay taxes and fraud that have been held in the courts as valid reason to find the applicant does not possess character. The Colorado Liquor Code §12-47-302 sets forth the local authority's ability to hold a hearing on the application for renewal.

Managers have been invited to attend the Liquor Board meeting.

Financial Implications:

There are local and state liquor licensing fees associated with renewal applications that have been submitted to the Town.
