5 Rhythms is an unchoreographed dynamic movement practice - a practice of being in your body - that ignites creativity, connection, and community. By moving through the 5Rhythms (Flowing, Staccato, Chaos, Lyrical, and Stillness) we unleash the dynamic power that is alive within us. Each rhythm is uniquely interpreted by each individual, opening them to a new sense of freedom and possibility. Rooted in the principle that if you put the psyche in motion it will heal itself. The 5Rhythms take us just as we are, regardless of our life cycle, gender, physical limitations or experience. 5Rhythms is usually practiced barefoot, in loose fitting comfortable clothes that you can sweat in.
