RE: 2020 Town of Avon Community Grant Program

Dear Potential Applicant:

The Town of Avon welcomes applications from organizations and agencies seeking funding for programs, projects, services or activities that support the Town's stated priorities in the *Town of Avon 2019 Strategic Plan*. In addition to providing the *Strategic Plan*, this packet includes important information to help your organization apply for Town funding, including application submission requirements, review criteria and the application schedule.

While the Town of Avon will look at every opportunity for advancing partnerships with organizations in Avon to advance the *Strategic Plan*, monies to outside agencies are prioritized with all operational, service, and facility needs of the Town through the annual budget. In Fiscal Year 2019, the Avon Town Council approved \$146,000 in funding for community grants. This funding level is again targeted in 2020, but it is not guaranteed and is in the complete discretion of the Town Council.

The 2020 funding decisions will be based solely upon an organization's written application. No interviews with applicants will be held. An *Ad Hoc Review Committee*, comprised of citizens representing businesses and nonprofits, plus several Town staff persons will review all applications and make the funding recommendations. The *Ad Hoc Review Committee's* funding recommendations will be incorporated into the annual proposed budget, which Council will take action on during a public hearing tentatively scheduled for December 10, 2019.

The following materials include all the information needed to prepare a funding application:

- 2020 TOWN OF AVON COMMUNITY GRANT PROGRAM: SUPPORTING THE TOWN OF AVON 2019 STRATEGIC PLAN
- APPLICATION REQUIREMENTS & SUBMITTAL GUIDELINES
- *TOWN OF AVON 2019 STRATEGIC PLAN*

TOWN OF AVON 2019 STRATEGIC PLAN

Adopted by the Avon Town Council

Resolution 18-14, Series of 2018
October 23, 2018

Purpose of the *Strategic Plan*

The *Strategic Plan* is developed and adopted to guide decision-making and provide the structure for ensuring that investments and programs reflect Council priorities in achieving the vision and adopted plans of the Town of Avon. Updated each year to reflect the priorities of the Town Council, the adopted *Strategic Plan* provides the Avon community information about the important work planned by the Town, over the planning period. Once the *Strategic Plan* is adopted, a budget is prepared to meet the program, followed by each department submitting a business work plan to the Town Manager, identifying the timing and process for implementing each strategy. Progress on the work plans are monitored to ensure outcomes are met.

- The *Comprehensive Plan* is the key leadership planning document of the Town and leads the *Strategic Plan's Vision*, with the identification of tactical actions to meet the *Vision*.
- In July of 2018, the Town Council provided the opportunity for residents and businesses to identify the most important issues in the Town through civic engagement outreach at open houses and through a Community Survey. The results have aided the Council in identifying priorities over the next several years and have provided information as to other methods to engage the public in the vision and strategic planning of the Town.

The *Strategic Plan* is organized as follows:

- The *Strategic Plan Vision* provides a dynamic overview describing the way of life in Avon, the values the community holds and serves as a comprehensive statement regarding the focus and directed outcomes of the Town's work. The *Vision* is directed by the *Comprehensive Plan*.
- From the *Strategic Plan Vision*, four key outcomes have been identified to set the prioritized work of the Town. The four outcomes, with successes and strategies to achieve each vision are detailed, resulting in a *Strategic Plan*.

Strategic Plan Vision

“Avon’s vision is to provide a high quality of life, today and in the future, for a diverse population; and to promote their ability to live, work, visit and recreate in the community.”

TOWN OF AVON COMPREHENSIVE PLAN, ADOPTED MAY 23, 2017

The Town of Avon is a strong community, focused on families and workers while building on its strengths to become a nationally and internationally recognized year-round mountain resort community. Avon is surrounded by natural beauty and the stewardship of our natural resources is a high priority. Avon is committed to providing a high level of municipal services for our citizens and visitors that reflect its values and commitment to the environment. Avon will expand its cultural, recreational and educational offerings in partnership with our broader community and regional public and private sector agencies, thereby ensuring sustained economic vitality and a vibrant community experience.

A dedication to a high standard and a superior level of quality development will provide Avon with a comparative advantage in the future, and, therefore, Avon will work to attract and promote these types of developments by ensuring Town plans and incentives are constructed in a manner which provides the development community clear and timely information; and, by steadfastly maintaining a professional and solution-oriented municipal business.

The Town will continue to value and support our full-time and part-time resident population by providing an exceptional level of municipal services and by working to retain existing businesses as the Town seeks to expand its retail and commercial base, while fostering our sense of community through both our spirit and the built environment. The importance of vibrancy and activity within the Town will be supported by attracting an array of new and diverse cultural and recreational events to Avon which are in concert with the values of our community and serve to nurture a cohesive sense of place and public.
