TOWN OF AVON Color & Material Board Specifications

PROCESS: All Major Development Plan Submittals are required to provide a Color and Material board for Planning and Zoning Commission review. A presentation size (20" x 24" minimum) color and material board must be presented at the meeting for review and approval. An 8 ½" by 11" color image of the presentation board shall be provided to Staff at the time of application submittal.

SPECIFICATIONS: The color and material boards must help visualize how all proposed colors and materials work together, and shall provide sufficient detail to represent the visual expression of the building. In all cases the location, manufacturer's name, color name and/or number must be provided.

MINIMUM DETAILS: The following details must be provided on the color and material boards:

- Project Address, Architect's name and contact information
- Exterior materials and colors
- Windows and Window Trim
- Siding
- Doors and Garage Doors
- Trim
- Roofing and Flashing
- Exterior Light Fixtures
